Time & Attendance

Each missing standard requirement reduces the grade by 5 points unless the assignment states another value.

Every starred requirement is essential and must be easy to locate. A missing starred item may limit the entire assignment to no more than 1 point.

Canvas holds the official points, accepted submission types, feedback, and grade. The Nexus supports the work but does not replace this Canvas submission.

Verification Note and Complete Canvas Return

State what you trusted, changed, rejected, or left uncertain. Verify every file and link, then submit the complete record here.

Requirements Are the Contract

Each missing standard requirement reduces the grade by 5 points unless the assignment states another value.

★ Starred Items

Every starred requirement is essential and must be easy to locate. A missing starred item may limit the entire assignment to no more than 1 point.

Canvas holds the official points, accepted submission types, feedback, and grade. The Nexus supports the work but does not replace this Canvas submission.
